

Week 11 Meeting

Date: 20/5/2021

Time: 9am-12pm

Venue: Mechatronics Lab

Note Taker: Jan Fok

Attendees: Jan Fok, Daniel Shen, Travis Giannarakis

Additional Notes: Jan Fok was late due to forgetting to bring PTU and dragonboard

Agenda items:

1) get lidar to work

- LIDAR is now working, just need to tidy up code

2) testing code for servo

- servo still not working, but basic code is written

Minutes

Action items	Person in charge
